

Summary – Strategic Plan
Ministerial Conference on Francophone Affairs
October 14, 2005

Intergovernmental cooperation for the Canadian Francophonie covers the following areas in particular:

INTERGOVERNMENTAL COOPERATION	OBJECTIVES
	Objective 1 Enhance federal/provincial/territorial cooperation to increase and strengthen the promotion of French.
	Objective 2 Increase opportunities to raise awareness of and promote services in French in targeted intergovernmental forums.
	Objective 3 Develop and share strategic tools that can increase the capacity for action of the provinces and territories in terms of services in French.
PRIORITY SECTORS	Objective 4 Strengthening the Francophone milieu.
	Objective 5 Increase access to quality health services in French.
	Objective 6 Facilitate the development and implementation of Francophone early childhood development programs.
	Objective 7 Support Francophone cultural development as a tool essential for the development and growth of Francophone and Acadian communities.
	Objective 8 Improve access to justice in French.
	Objective 9 Support and reward economic development in Francophone and Acadian communities.
