PREMIER'S ATHLETIC AWARDS PROGRAM

Selection Guidelines and Criteria for Provincial Sport Organizations

The following criteria has been established to provide Provincial Sport Organizations with the necessary direction and guidance to ensure the best possible candidates are recommended for assistance.

Athletic ability and merit are the main criteria for the selection procedure. Financial need and academic standing are **NOT** criteria listed below but may be used if two or more athletes are comparably equal.

These guidelines are listed in order of priority:

1. Athletes selected to the senior National team and **not** carded by Sport Canada.
2. Athletes selected to a National Junior or National development team and **not** carded by Sport Canada.
3. Athletes invited to attend a National team tryout/Selection camp by the National Sport Organization (NSO).
4. Athletes identified as a potential National team member by the NSO.
5. Athletes invited to train at a sport specific National Training Centre.
6. Athletes performance at Canada Games.
7. Athletes performance at National level events.
8. Athletes performance at Canadian University Sport competition.
9. Athletes performance at the Atlantic university sport level.
10. Athletes potential as a Canada Games competitor.

Please submit **ALL** completed applications, including the appropriate ranking, to Jimmy Tee, Recreation and Sport Division on or before **January 17, 2005**.
